Why 629?

6/29/2022 is the date I will never forget. In an instant, my life was changed forever, and I had no idea what the future would hold. One thing that did not change was my ability to choose. I made the decision that I will repurpose the day that changed my life and use it as a means of bringing good to the world.

I invite you to join the Patric Young Foundation for our 2nd Annual Golf Tournament, The 629 Open, as we fundraise to support our mission of Illuminating the Path to Wholeness and benefit those impacted by life altering injuries or accidents.
